

INTRODUCTION

SAFETY

THANK YOU for choosing your new chair to assist you for years of easy and comfortable mobility. The product you have purchased combines state-of-the-art components with safety, comfort, and styling in mind. We are confident these design features will provide you with the conveniences you expect during your daily activities. Understanding how to safely operate and care for this product should bring you years of trouble-free operations and service.

Read and follow all instructions, warnings, and notes in all the accompanying literature in your owner's package before attempting to operate this product for the first time. You must also read all instructions, warnings, and notes contained in any supplemental instructional booklets that accompanied your chair before initial operation. Your safety depends upon you, as well as your provider, caretaker/carer, or healthcare professional in using good judgement.

If there is any information in this manual which you do not understand, or if you require additional assistance for setup or operation, please contact your authorized Provider. **Failure to follow the instructions, warnings, and notes in the literature provided with your scooter and those located on your product can result in personal injury or product damage and will void the product warranty.**

PURCHASER'S AGREEMENT

By accepting delivery of this product, you promise that you will not change, alter, or modify this product or remove any other safety features of this product; fail, refuse, or neglect to install any retrofit kits from time to time provided by your Provider to enhance or preserve the safe use of this product.
